

## **TULLY FREE LIBRARY**

### **Handouts and Bulletin Board Policy**

Handouts and items displayed on the bulletin board in the vestibule of the Library primarily publicize Tully Free Library and Onondaga County Public Library activities and services. Local activities of a civic, cultural, educational or recreational nature may also be displayed as space permits. The intent is to give access to as much community information as possible. For this reason, most material is displayed for one month only.

Permission from the library director is needed to for all other items to be posted on the bulleting board or materials left for distribution.
